

Greetings MAC Students and Friends,

In order to serve you better, we have come up with the following instructions. Please read the following to make online viewing of class information a little easier.

Tips for navigating classes in the new MAC website:

To view all the adult visual art classes on the website from one particular studio i.e. glass, click on “enroll now” in any adult visual art class, check the waiver box and click “register”. Just below the header of the new page is a “search events” box on the left. Enter CAS11GL for glass then click “go”. All the glass classes will come up by start date.

So, to see all the youth classes, enter CYS11

To see all the adult classes, enter CAS11

To see all the jewelry classes, enter CAS11JE

Here is the code breakdown so you can customize your search:
