The Freewheelin' Bob Dylan  
Blowin' in the Wind  
by Bob Dylan

How many roads must a man walk down  
Before you call him a man?  
Yes, 'n' how many seas must a white dove sail  
Before she sleeps in the sand?  
Yes, 'n' how many times must the cannon balls fly  
Before they're forever banned?  
The answer, my friend, is blowin' in the wind,  
The answer is blowin' in the wind.

How many times must a man look up  
Before he can see the sky?  
Yes, 'n' how many ears must one man have  
Before he can hear people cry?  
Yes, 'n' how many deaths will it take till he knows  
That too many people have died?  
The answer, my friend, is blowin' in the wind,  
The answer is blowin' in the wind.

How many years can a mountain exist  
Before it's washed to the sea?  
Yes, 'n' how many years can some people exist  
Before they're allowed to be free?  
Yes, 'n' how many times can a man turn his head,  
Pretending he just doesn't see?  
The answer, my friend, is blowin' in the wind,  
The answer is blowin' in the wind.

I was born by the river in a little tent  
Oh and just like the river I've been running ever since  
It's been a long, a long time coming  
But I know a change gonna come, oh yes it will  
It's been too hard living but I'm afraid to die  
'Cause I don't know what's up there beyond the sky  
It's been a long, a long time coming  
But I know a change gonna come, oh yes it will

I go to the movie and I go downtown  
Somebody keep telling me, "Don't hang around"  
It's been a long, a long time coming  
But I know a change gonna come, oh yes it will  
Then I go to my brother  
And I say, "Brother, help me please"  
But he winds up knockin' me  
Back down on my knees

Oh there been times that I thought I couldn't last for long  
But now I think I'm able to carry on  
It's been a long, a long time coming  
But I know a change gonna come, oh yes it will

People get ready  
There's a train a-coming  
You don't need no baggage  
You just get on board

All you need is faith  
To hear the diesels humming  
You don't need no ticket  
You just thank the Lord

So people get ready  
For the train to Jordan  
Picking up passengers  
Coast to coast

Faith is the key  
Open the doors and board 'em  
There's hope for all  
Among those who loved the most

There ain't no room  
For the hopeless sinner  
Who would hurt all mankind just  
To save his own

Have pity on those  
Whose chances grow thinner  
For there's no hiding place  
Against the Kingdom's throne

You know there's no hiding place  
There's no hiding place

So people get ready  
For the train a-coming  
You don't need no baggage  
You just get on board

All you need is faith  
To hear the diesels humming  
You don't need no ticket  
You just thank the Lord
