TERMS

— T O K N O W

ADAGIO

At ease in music (i.e. play slowly).

BASS

The lowest of the standard four voice ranges (bass, tenor, alto, soprano); the lowest melodic line in a musical composition, often thought of as defining and supporting the harmony; in an orchestral context, the term usually refers to the double bass.

DRAMATIST

A person who writes plays.

FRIT

Crushed glass often melted onto other glass to produce patterns and color.

BEAD MANDREL

Metal rod used to construct a glass bead around. When cooled and removed, the space occupied by the mandrel creates the hole through the bead.

MARVER

A tool used in glassblowing. A marver is a large flat table. The molten glass piece is rolled across its surface. It is used to not only shape the glass, but to remove heat as well. The rapid absorption of heat by the marver creates a stronger skin (surface tension) than the use of a wooden tool. Marver is derived from the word "marble." Marble was originally used in the construction of this specialized table. Modern marvers are made of steel – typically stainless steel. Lampworkers use small graphite marvers mounted on or near their torches.

WAIVER:

As a participant, or parent or guardian of a participant, permission is granted to participate in the Mesa Arts Center programs listed below. Participants understand and agree that they may be photographed and/or videotaped for the promotion of City of Mesa archives and for use in publicity materials. I understand that there are risks of physical injury to the participant(s). Considering all possible risks, on behalf of the participant(s) and myself, I voluntarily waive, release, discharge, and hold harmless the City of Mesa, its employees, supervisors, appointed officials, agents representatives and volunteers from all claims for all injuries to participant(s), no matter how severe. Furthermore, I give consent for emergency medical treatment to the participant(s), no matter how severe. This waiver does not extend to any such claim or liability that is caused solely and exclusively by the gross negligence of the City of Mesa or its employees, supervisors, appointed officials, agents, representatives and volunteers.

Please Note: We require that parents or guardians drop off children ages 3 to 10 at the classroom door and pick their child up at the door promptly at the conclusion of class. If you are late picking up your child, we have instituted a fee structure: 5-14 minutes late: \$5 | 15-24 minutes late: \$10 | 25-30 minutes late: \$20. Late fee must be paid at the time of pick up. The child will not be allowed to return to class until the fee is paid.

The City of Mesa reserves the right to dismiss a student from the program for inappropriate conduct if necessary. This includes unsafe use of equipment, materials or supplies. Dismissal/permanent removal is at the discretion of faculty.

REGISTRATION CONFIRMATION:

Receipts will be emailed or mailed to you to confirm your enrollment. If you are traveling here from out of state, we strongly recommend purchasing REFUNDABLE AIRFARE in the event a class is canceled.

FEE ASSISTANCE:

Fee assistance is available for selected programs for those who qualify for free or reduced School Lunch or Federal Subsidy programs. You must be a Mesa resident. All individuals requesting fee assistance are required to check the appropriate box and sign the waiver located on the registration form. Registrations will not be processed without the proper signatures. All fee assistance applications are subject to verification.

REFUNDS/CANCELLATIONS:

If your class is filled, you can ask to be placed on a wait list. If any openings become available, classes will be filled from the wait list. You will be notified if your class is canceled. **SATISFACTION GUARANTEE:** We are so confident that our classes are of the highest quality that we offer a money-back guarantee. Within the first week of classes, if you are not completely satisfied, we will refund 100% of your class registration fee.

M E E T T H E S T A F F

Meet Dance Instructor, Joan Rodriguez Hernandez, born in Havana, Cuba, in 1992. After 8 years of study he graduated in 2011 as Ballet Dancer-Professor at the School of Ballet in Cuba and has taken workshops taught by choreographers and teachers from different countries. He began to dance professionally once he graduated. He was part of the Danza Abierta Company for almost three years, and at the same time he was collaborating with other companies.

His first experience dancing in the United States was in June 2013, where in collaboration with the University of Arts and Sciences in Alabama, he participated in a work of dance-theater that was presented in Tuscaloosa and New York. Then he started working with the young Cuban company Malpaso Dance. In this company he was working under the direction of Osnel Delgado, resident choreographer of the group, and had the opportunity to work with Trey McIntyre and Ron K. Brown, two American choreographers. From 2013 to date he has danced in about 15 cities throughout the United States and Canada. He has danced in theaters and festivals such as The Joyce Theater and Guggenheim Museum in New York, The Jacob's Pillow Dance Festival in Massachusetts, The Yard in Martha's Vineyard and Laguna Dance Festival in California among others. He also participated in the Luminato Festival in Toronto, Canada. During this time he gained experience not only as a dancer, but also as a teacher, choreographer and even as artistic director.

Recently he decided to make his life in the United States and now lives in Phoenix where he hopes to continue contributing to the world of dance.

Meet Artist in Residency in Ceramics, Rob Kolhouse. Rob Kolhouse received his BFA from Indiana University, and in 2014, his MFA from the University of Florida. Heavily influenced by Donna Haraway's Cyborg Manifesto and the cyberpunk classic Ghost in the Shell, his figure sculptures investigate constructed gender using the cyborg. In addition to his sculpture, he produces a line of vessels with irreverent characters on them.
