

JURY INFORMATION:

The MAC Store Artists Cooperative Gallery is holding an Open Jury Call for all Fine Art Jewelry Artists. We have a wonderful collection of jewelry artists that includes a variety of mediums and techniques. The Steering Committee is seeking to round out the collection by adding additional Fine Art Jewelry Artists that work specifically with precious metals and possibly precious or semi precious gems. As the Jury Committee is looking for collections that will enhance our current works it may take a while to find the right mix of artists. This Jury Call for Fine Art Jewelry Artists is open ended. We will continue to receive applications from those that are interested until the jewelry spaces have been filled.

Please contact us at macfac.committee@gmail.com if you are interested in receiving a Jury Application Packet.
