

Jury Application Packet 2019-2020 Season

Thank you for your interest in joining The Store at Mesa Arts Center, an Artists Cooperative Gallery. The gallery is a unique collection of artwork, all created by Arizona artists. We are not a consignment store but a collection of high quality, hand-made original art in a variety of mediums. Our store is completely run by artist members and volunteers in a team effort to sell beautiful, one-of-a-kind art.

An artist may submit separate applications for multiple mediums for consideration. Each space awarded will be considered a separate entity and the artist will be assessed annual dues and assigned demo shifts for each medium.

Before submitting your application, please read the requirements of this membership carefully. The Jury Committee reviews applications at least twice yearly and the process is three-fold:

1. Submission of completed application;
2. Review by the Jury Committee; and,
3. Personal interview and review of art with at least three members of the co-op Steering Committee.

There are limited display spaces to be filled within the store. Please make sure that your artwork will fit within the spaces. (See page 3 for more details.) Even better, visit the store to get a clear picture of how the art is displayed and how much space is available.

Mission and Purpose

The gallery's mission is to create art for the community, a community for artists, and support training in the arts. The MAC Artists Cooperative Gallery's purpose is to support a vibrant community of fine artists, to provide an opportunity to exhibit and sell regional fine art under a juried system, to enhance professional development among artists through the MAC Foundation and benefit the City of Mesa as a whole.

1. Can I commit to the above requirements?
2. Is my art original, unique, handmade, and considered fine art?
 - a. **Jewelry artists:** If you are a jewelry artist please be sure that your pieces have been personally handcrafted by you. Keep purchased beads, findings and parts to a minimum. Commercial findings are permitted but the artist should be making 95 percent of the work.
 - b. **Recycled/Repurposed Art:** If you are a "found" and recycled object artist, please be sure that your art is repurposed with a creative and unique re-use of materials.
3. Are my pieces finished professionally (framing, packaging, etc.)
4. Am I an established artist? (Do you participate in others shows or festivals? Do you have art at other galleries, stores, restaurants, etc.?)

If you answered "yes" to the above questions, you may be a perfect fit. Please complete the attached application. At a minimum, the jury committee reviews applications twice yearly. Artists who are accepted by the jury committee will be invited for a personal interview and review of their work before a final decision is made.

Available Art Display Space

We invite all interested artists to the store to see the various displays available. We offer small and large shelf space, wall space, jewelry cases and displays as well as some floor space for fiber artist racks etc. At the discretion of the Exhibit Committee, the artwork may or may not be displayed in a contiguous area.

Note to Fiber Artists: You may need to provide appropriate display units for your artwork that can be used in the limited floor space of the store. The display information needs to be included with your application. Include photographs of how the artwork would be displayed. The display will be part of the jury process for Fiber Art.
